www.chargebig.com

Ready to rent

Daily rent: from 10 €

Monthly rent: from 280 €

Delivery costs: 75 € (one-time)

Easy commissioning and use

No installation is necessary for the mobile system. A supply line only needs to be connected to the underside of the housing.

Billing or plug & play

Charging processes can be billed individually and in accordance with calibration regulations. Comprehensive reports are available in the chargeBIG dashboard. Alternatively, the system can also be used without billing (plug & play).

Emergency procedure

Fault current protection devices 30 mA FI type A and 6 mA RDC-MD for each charging point via reset button.

Interested?

Then please contact us and we will advise you on your mobile charging system.
